1. Why is God's grace in salvation so misunderstood?
2. Many Christians believe that their salvation is based on God's grace but their sanctification is based on their own works? Where is the error in this thinking?
3. When difficulties come in your life, what will keep you growing in the grace of God and not complaining?
4. In what areas of your life is God teaching you to be more humble, submissive and obedient?
5. What are the most important lessons you have learned from our study of 1 Peter and how do you want to put them into practice?

*"Therefore let us draw near with confidence to the throne of grace, so that we may receive mercy and find grace to help in time of need."*  
Hebrews 4:16

"Grace ceases to be grace if God is compelled to bestow it in the presence of human merit. Grace ceases to be grace if God is compelled to withdraw it in the presence of human demerit. Grace is treating a person without the slightest reference to what they deserve, but solely according to the infinite goodness and sovereign purpose of God."

C. Samuel Storms

"God and the Word of His grace always go together; God let's His grace flow out through that Word." R.C.H. Lenski

"God supplies perfectly measured grace to meet the needs of the godly. For daily needs there is daily grace; for sudden needs, sudden grace; for overwhelming need, overwhelming grace. God's grace is given wonderfully, but not wastefully; freely but not foolishly; bountifully but not blindly."
