2. How did David's desperation and fear affect his communication? How did his lies bring tragic consequences?
3. Before making a decision, what are some questions we should ask? How can we consider the various consequences of our words and actions before we speak or act?
4. Psalm 142 was written when David was in the cave of Adullam. In this psalm, how did David liken his situation to being in prison? Did David express any hope in God?
5. How did the cave become a turning point in David's life?
6. What does David's response to Abiathar in 1 Samuel 22:22 tell us about David? Is it ever too late to confess sin and repent?
